ABOUT HONG KONG TENNIS FOUNDATION

Beginning

In December 1988, a group of tennis enthusiasts dedicated to furthering the cause of tennis here in the territory got together to form the Hong Kong Tennis Foundation (HKTF). As its official inauguration on March 9, 1989, the HKTF received donations of HK\$1 million from the Royal Hong Kong Jockey Club and HK\$390,000 from Philip Morris Asia Inc. In addition, a government subvention of HK\$1 million was provided for 1989/90.

Aim & Objective

To support the promotion and development of tennis in Hong Kong with the ultimate goal of raising the standards to match those found elsewhere in the world.

To provide financial assistance to programmes that will develop the promotion and market penetration of tennis in Hong Kong.

To help finance the staging of local tournaments and to financially assist the top local players to attend international events.

Structure

Former Chief Secretary, Sir David Ford, first chaired this influential body. The current Chairman is Mr Edmond Yue. The HKTF meets, on average, once every two months, with the main agenda pertaining to the financial support of junior tennis development in Hong Kong.

Over the years, the HKTF has received, at one time or another, financial support from the Hong Kong government, the Royal Hong Kong Jockey Club, and the Hong Kong Tennis Patrons' Association (organisers of the Malboro Championships and the Watsons Water Champions Challenge).

Fundraising

The HKTF normally organises an annual fundraiser, for instance, by way of raffle ticket sale, or on other occasions, some type of tennis Pro-Am Challenge. These fundraising events have become a time-honoured part of the Hong Kong tennis calendar and a great deal of support is contributed from the local business community, tennis players, coaches and clubs, as well as councils from the HKTF and HKCTA.
